

We are doing the Wirral Coastal Walk to raise money for the **Joshua Upton Memorial Fund**

Our brave young Explorer Scout and Young Leader, a Scout to the core, **Josh**, sadly lost his fight on 10th April following a tragic accident cycling some six days earlier. Dearly missed by all, but Josh, you will never be forgotten!

Many people have been in contact wishing to help or make a donation to support Josh's family so we have set up the Joshua Upton Memorial Fund.

We have set up the fund to ensure Josh's final journey is not something the family need to worry about. The family will then decide how any further funds will be spent, and the fund will be independently audited by Wallasey District Scouts.

Donations directed to the fund and received from any source will be transferred to Josh's memorial fund.

As well as his family, and school friends at St Mary's College, the entire Scout Family is in mourning at his death, and this memorial fund enables people to donate in Josh's memory.

For more information, or to make a donation, please contact the Group Scout Leader
